Sharon Houston

Sharon,

In just a few weeks I will be leaving ole J. H. behind, but I hope our friendship does not end. Write me at Peace next year and come to visit me sometime, please. I'll certainly miss all those ballgames, cheerleading praces, the talks we've had. Thanks for listening to my problems and helping me Solve them.

I am so happy that you have the honor of being assistant chief next year. You really deserved it. You have always been an enthusiastic, hard-working, and devoted cheerleader.

May God richly bless a really sweet girl.

Love,
Karen
(Jerry's girl)

P.S. Best wishes and good luck to you and Billy.

Sharon

I have come to know you better the past two years. Your warming smile and great personality is why everyone likes you. Best of luck in the future! Never let Billy go because he might fall.

Remember

This is going to be hard to end because I really don't know what to say as "I have said before." All I know is that somewhere over in Kenansville there is a girl. Which my mirrow on the wall says is the loviest girl in the kingdom and I am the one who knows who she is, and I am the happiest boy in the world. Thanks to the mirrow telling me about this girl. But really and truly honey "will you pull that "wire" over there!"

mirrow, mirrow on the wall, whose the luckiest of them all? me!

But let me close with this, that there is one thing I must say and that is that I really have the "many splendored thing" toward you!

Mrs. Mary Dixon Brown . . .

As we go through life, we will never forget all the help we receive from our Guidance Counselor, Mrs. Brown, in planning for the future.

She remains perhaps more interested and involved than anyone with each student. Much of her work is unknown to the average student - the long hours of filling out transcripts, administering tests, averaging grades, and so much more included in her job.

Then there are the many worried students who will admit much relief and change of outlook after a conference with her. The little spark of hope has saved many students from giving up in despair.

In addition to guidance, she teaches several French classes, which further crowd her day.

Mrs. Brown is well qualified to do all of the many things she does for us. She has received an A. B. degree from Duke University and a M. Ed. degree from the University of North Carolina.

Sometimes a teacher gives a little more than is required and the WAKEMA staff feels that she continually does this. She truly helps us through this time of changes. That is why we proudly dedicate this yearbook to Mrs. Mary Dixon Brown.

Mrs. Brown assists Mitch Reece in preparing for college.

High School life is many things to many people. Whatever it is, it never stays the same. For each person it is continually new and different.

It is certainly a change from elementary school. It is new responsibility for the student. More emphasis is put on an individual deciding things for himself. It is a change - a maturing - of the individual. From the naivety of the freshman, the false sophistication of the sophomore, the self-assurance of the junior, to the anticipation and the slight regrets felt by the senior, there is a developing of a philosophy and the preparation of an individual for the future.

High School becomes a part of this process of development. It must aid in this development and help make it complete and sound. It must change and prepare a person to fare as his own man - responsible to himself but also responsible to society. This is an awesome task, but one that is and must be undertaken.

This yearbook is a chronicle of a year of this process of change from a child into an adult. It is truly a story of . . .

He has earned an A. B. degree at Davidson College and a M. A. degree at East Carolina University.

Activities

Jr.-Sr. Prom Goes . . .

Billy Potter, Sharon Houston, Mr. and Mrs. Nelson Carlton, and Mr. Harmon, our principal, enter to enjoy the 1968 Prom.

Juniors and Seniors were whisked away to Tahiti one beautiful night as "Tahitian Holiday" was presented at the 1968 Junior-Senior Prom. Guests in formal attire entered onto the island shore through a jungle path filled with exotic birds. Tahitian girls gave each guest a lei and conducted them to a table. Music for dancing, provided by the Checkmates, burst forth from an island bungalow. The Prom court was presented in a skit given by the Sophomore waiters and waitresses dressed in island costume. South Sea Island food was served buffet style in a jungle hut by the lovely Tahitian girls. The guests truly enjoyed themselves in this South Sea Island paradise.

Tahitian!

Five of the waitresses, Edith King, Jane Chestnutt, Ann Hines, Mary Ellen Byrd, and LaVerne Fields assist Ray Hope in receiving the delicious food.

The Tahitian skit was wildly unpredictable!!

There Were Quiet

The Checkmates provided great music for the Prom.

Those who attended the 1968 Jr.-Sr. Prom had a wonderful, long-to-be-remembered time.

Kenan Scholarship

The fourth Kenan Scholarship was awarded at the 1968 commencement exercises to Earl Kelly of Magnolia. Earl was presented the scholarship by Thomas S. Kenan, III, Director of the Sarah Graham Kenan Foundation.

The scholarship, which is valued at one thousand dollars a year, is granted to the student in recognition of his outstanding character, scholarship, leadership, and excellent service to James Kenan High School and his community. His college potential is also judged in the competition. The scholarship can be used at the recipient's choice of colleges, which in Earl's case was Wake Forest University in Winston-Salem, N. C.

The scholarship is "living proof" of the constant concern and generosity of the Kenan family to James Kenan High School and its students.

William Rand Kenan Award

The second annual William Rand Kenan Award was awarded during the commencement exercises last May to Amos "Doc" Brinson, Jr., by Thomas S. Kenan, III.

The award is given annually to a graduating Senior who is an outstanding athlete and yet excels in all other school activities.

The award consists of a trophy, placed in the school trophy case, with the names of all winners, a small trophy for each of the winners, and a small cash award, also for the winners.

Organizations

Organizations give a school a well-rounded atmosphere. And those at James Kenan fit the description. There is an organization for everyone to develop their skills and to give of their talents. We salute the worthy efforts of our clubs and organizations in this section.

These Staffers are comparing thoughts and ideas. They are Connie Rhodes, Tana Carlton, Barbara Raynor, Malcolm Johnson, Mrs. Lanier, Laurie Gresham, Dana Rivenbark, Bill Britt and Gail Scott.

Time, Thought, Work, Hurry, Harassment. Result? Wakema

Time, fun, hard work, and skills are what most staff members contribute to the annual yearbook at James Kenan. This year Bill Britt and Bennie Wilson, two seniors, were on the go day and night as editors to create a great 1969 Wakema. The Business Manager, Gail Scott was kept busy with the records. There was much confusion and worrying, but those deadlines were finally met. Money appeared to be the biggest problem at first, but with the ad and annual sales, funds were collected. Success was hard to achieve but the staff never gave up in despair.

Here are some Juniors "enjoying" working on the annual. They are Tana Carlton, Penny Moore, Charles Ivey, Jeanie Fonvielle, and Tricia Kornegay.

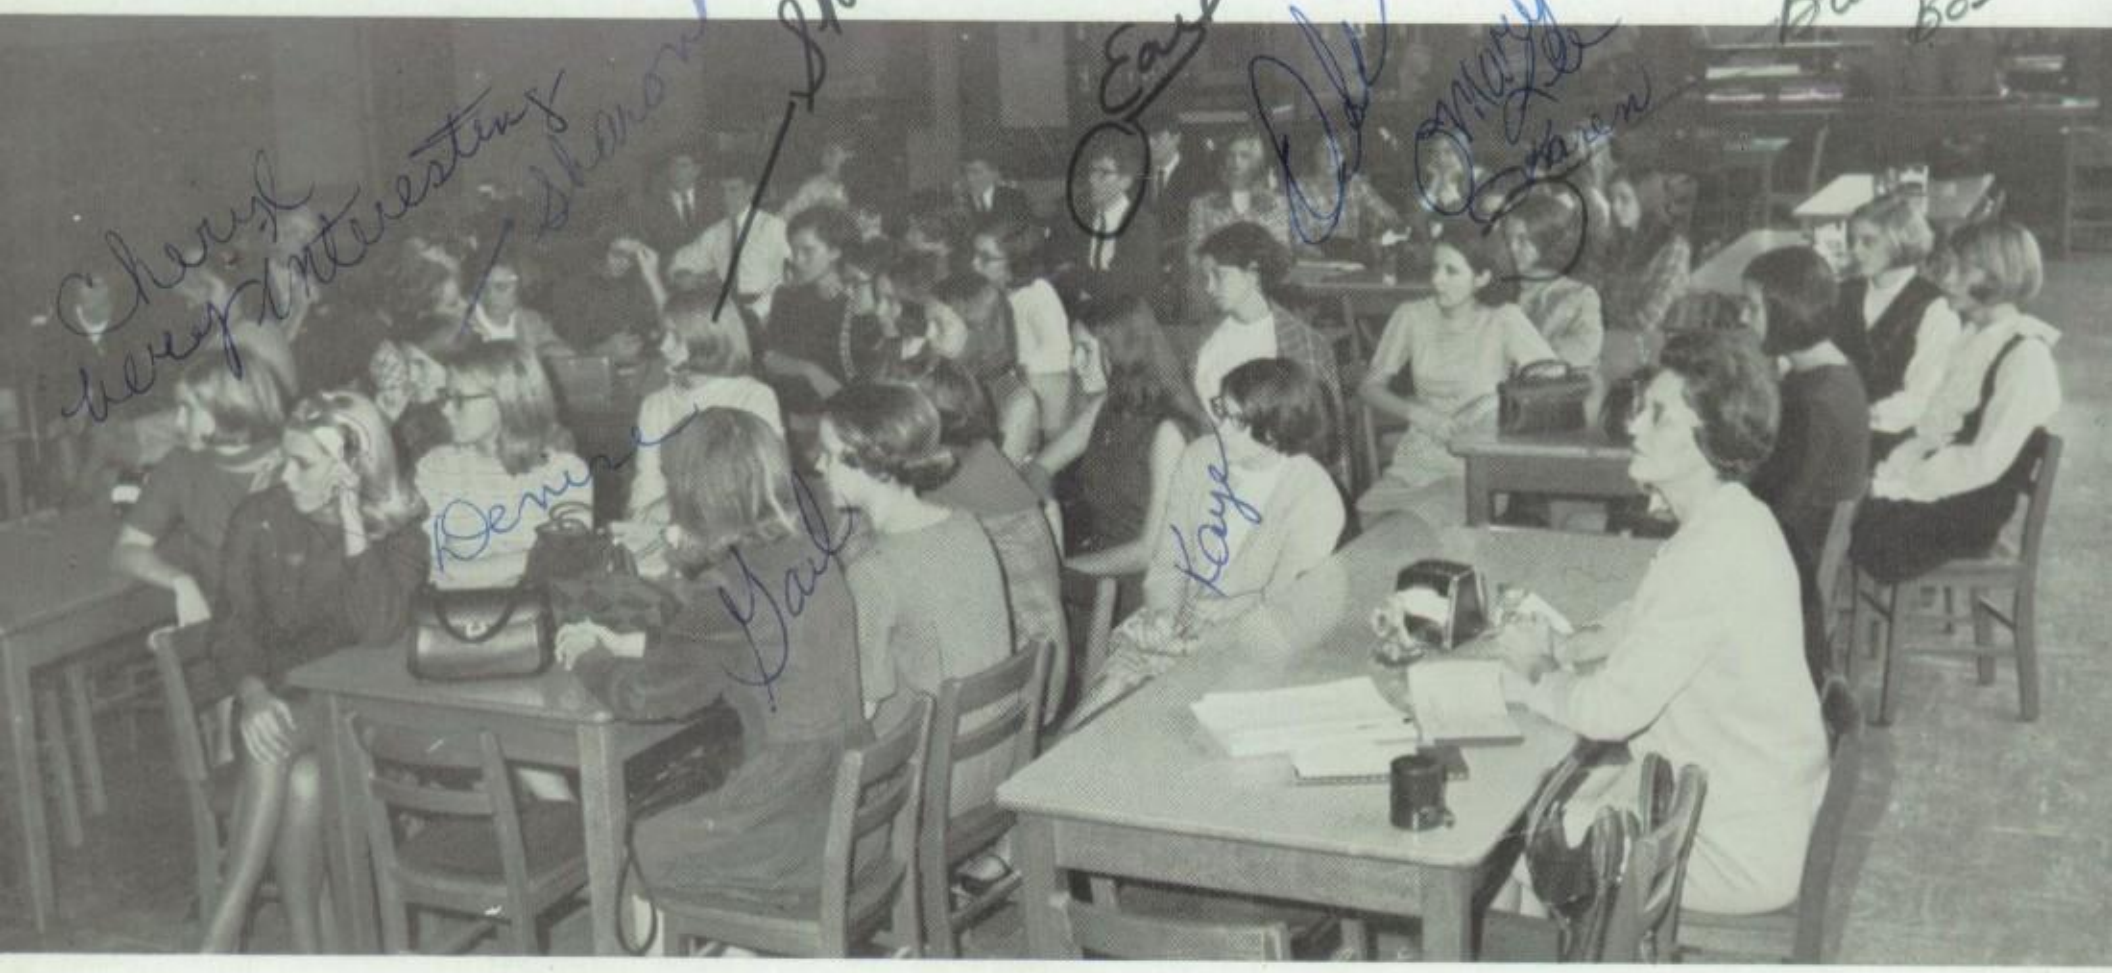
Skits, Candy, Creed, Convention? That's FBLA

FBLA is one of the most active organizations at James Kenan. Having received the coveted National Gold Seal Award for all five years makes the FBLAer's exceptionally proud to be members. What would JK do without the FBLA candy? It's become a part of JK tradition. The FBLA "playmakers" are a group of very talented kids who provide entertainment for the meetings. Business Dress Day, the FBLA Convention and lively campaigns also help to make FBLA one of the liveliest and most popular clubs of James Kenan.



Interest mounts during a discussion of the FBLA convention that was held in March.

Sharon Alphin is "delighted" at getting her very first box of FBLA candy to sell from Bennie Wilson, Finance Chairman. This is FBLA's main money-raising project for the year.

Elf Charlie Ivey is disgusted at his lazy fellow workers: Dana Rivenbark, Sherry Powell, and Tana Carlton in Christmas skit.

FBLA brightened JK and increased school spirit by providing this year's Christmas tree. Charlie Ivey and Barbara Raynor decorate.

We Try!

"We Try" - a perfect title for the Beta Club members. Juniors and Seniors must maintain an average of 90 or above and Sophomores, an average of 93. The new members induction service is a very impressive ceremony of the Beta Club, each student enjoys participating in these services. Each year the Beta Club members raise money selling alumni directories which enables them to attend the annual state convention.

Mrs. McGowen, club sponsor, cuts a piece of cake especially prepared for the Beta Club members.

The James Kenan Library Club discusses plans for the first library clean-up day.

Our Aim Is to

Without the supervision and help of Mrs. Whaley, sponsor, the James Kenan Library Club would have come to a standstill. The Library Club has used its funds very wisely this year. They purchased frames for the paintings, new magazines and books, and also gave a donation to the Forensic League. The Library was a perfect example of Christmas spirit and every student enjoyed the warm and friendly atmosphere.

It's Our Business to Sell

Deca fascinates some people - like Janet Chesnutt - eh - others, like Steve Shieffield.

This year Deca welcomes another new sponsor, Mr. Dixon. With his guidance and good-humor the members had a new money making project - a turkey shoot! This activity was a lot of fun and was enjoyed by all those who participated.

Deca trains the students in good business principles of marketing and distributing.

Besides the meetings, Deca members also sell coffee at football games, attend the state convention and have just plain fun. This year Rhonda Houston represents the club as the Deca Sweetheart.

This year Deca got a lot of new equipment. Including a glass showcase. Here Doris Davis and Sue Blanchard are examining very closely a watch, one of the many items displayed in the showcase.

Eight Members Speak Out on Controversial Issues

In its second year at James Kenan, the Forensic League has been a great success. The members spend most of the year in training and preparing for the Round Robin debates. The debators traveled to Wake Forest and Carolina meeting experienced debators and learning the tricks of the trade. With Mrs. Jones as sponsor, good luck piece, and the number one supporter, the league was very active and in their first year of debate action won first place honors in area competition and second place in district contests.

John Fonvielle presents his side of the debate to Bill Britt.

Athletes Keep Monogram Rolling

Monogram Club is an organization especially for the athletes. Each member letters in his sport each year or is a senior who is participating in a sport. Each year the Monogram Club is in charge of the Homecoming activities and the Athletic Banquet.

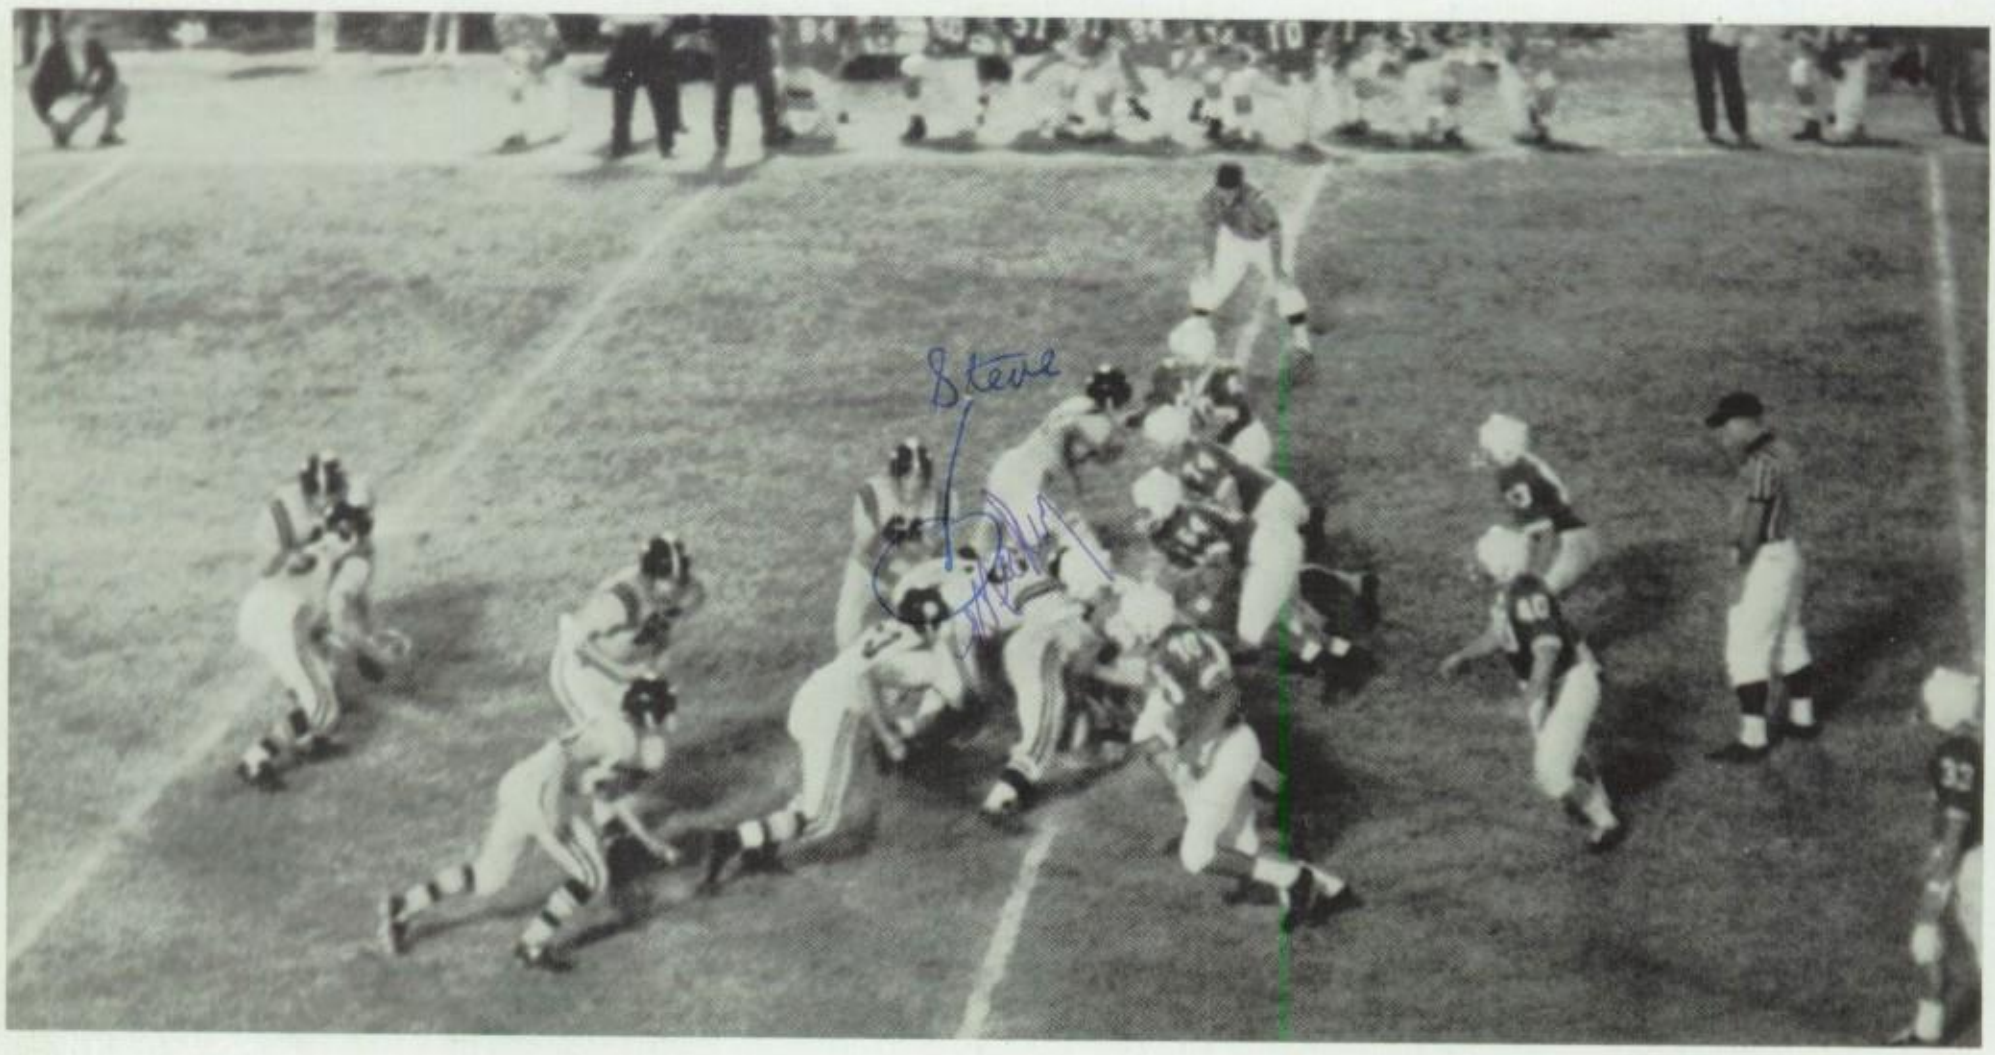
Shippen (no. 42) carries the ball for more yardage.

Acting as assistant coaches were: (L. to R.) Coaches Helton, Dixon, and Mainor. The head coach was Coach Turner. They are to be congratulated for their never-ending efforts to develop a top-notch team.

Tigers Are Still Great

The entire Tiger offense is put into action as Sanderson passes off to Matthis.



Steve Thomas (41) attempts to catch a pass.

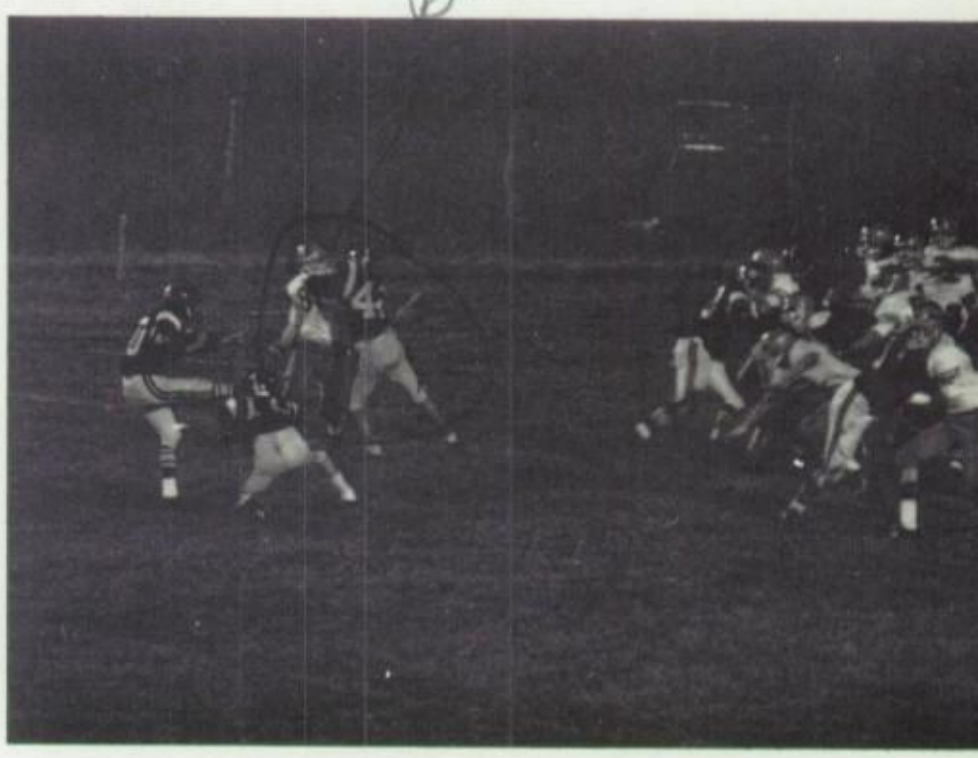
A pass is completed to Steve Sheffield (10), and he is aided by two struggling opponents.

Tigers

The James Kenan Tigers started off the season with a tough 3-A team, Massey Hill. The Tigers fought hard, but were overpowered by the Pirates 19-6. The next game was a conference game with Southern Wayne. One error cost us a 13-7 defeat. Our Tigers traveled to Trenton to play the surprising Rockets of Jones Central. A weak offense dictated an 18-0 defeat. Our cross-county rival, the Wallace-Rose Hill Bulldogs came to Tiger country, out-weighing and out playing the Tigers to a 44-0 defeat, the worst and most devastating defeat of the season. A former conference foe, North Duplin came to James Kenan to defeat the Tigers 12-6. Stedman came in for our Homecoming ballgame. This heartbreaker was lost by the Tigers 33-7. The next week, the Tigers traveled to Richlands for a battle with the Wildcats and returned home victorious. East Duplin came to the Tiger field and went on to defeat the Tigers 35-13. James Kenan's next game was with the South Lenoir Rebels. The Tigers lost 39-0. Our final game was played at Burgaw against the Red Devils. The game pitched back and forth and Tigers fought in their best game of the season. Burgaw came up with one good break and won it 6-0.

James Kenan was lucky in gaining two new coaches this year, Coach Turner and Coach Dixon. This season was an improvement over last year and we hurt mostly due to the lack of experience of so many boys on the team. The future surely appears to be a brighter one for the Tigers. This fine group of hard-working boys that fought to the end of the entire season are a group to be proud of.

Steve Sheffield increases Tigers' score with two seconds left on the clock.



Pat Matthis (40) kicks the first extra point of the season.

FRONT ROW: Godbold, Matthews, Merritt, Sanderson, Matthis, Jones, Pridgen, D. Sheffield, Thomas, Sutton, Herring.

Junior Varsity Football

The J.V. team really did a great job this year. They were 2-2-2, a great improvement over last year's! These boys really worked hard and looked like good prospects for next year's team. At the end of the J. V. season, a few boys went up to Varsity to finish the season there.

Congratulations boys and Coach Mainor for such a fine team.

The J. V. Cheerleaders have done a great job of arousing school spirit for the J. V. teams.

Pat Matthis, 2-A High School State Tennis Champion, practices at Duplin Country Club.

Jeanie Fonvielle, a stand-out on the girl's team, serves to her opponent.

Last year, with Mrs. Sue Bowden as their coach the Boy's and Girl's Tennis Teams were ranked number 2 in the conference.

With most of the Tigers returning again this year, they will be in strong contention for top honors in the conference.

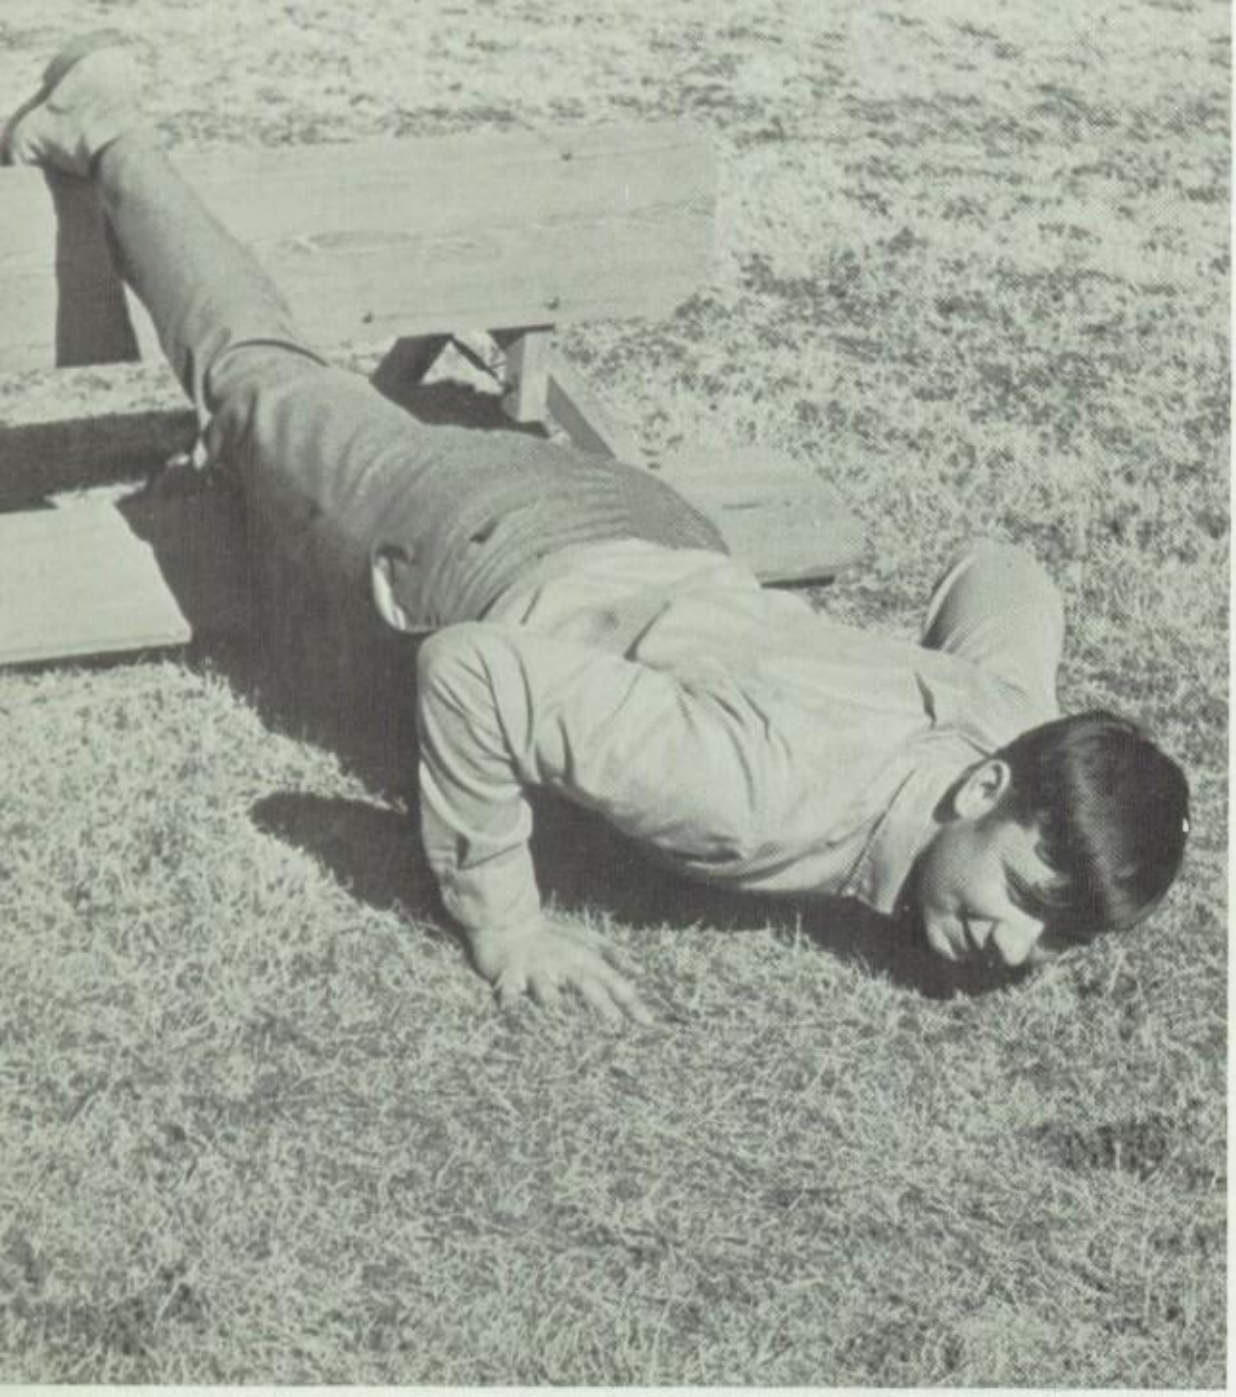
Coach Helton left for a few minutes and Doug Smith, Clark Helton, and Tim Hunter are taking advantage of no supervision for a little goofing off.

Gerald Price has discovered that keeping up with the ball is an essential step in perfecting a golfer's skill!

'68 Track



Larry Sanderson attempts a hurdle, but doesn't quite make it!

Track got a big start at James Kenan last year under Coach Hughie Lewis. All the boys were enthusiastic about it and found it an exciting sport. Burgaw was the only other school in the conference having a track team, so the Tigers didn't have a lot of competition.

Track will be coached by Coach Jim Turner this year. Most of the boys will be returning from last year and they are looking forward to more competition within the conference and a winning season.

Baseball

Coach, Amos Brinson

The '68 baseball team and James Kenan appreciate the hard work and time given them by their coach, Mr. Amos Brinson.

Although the team didn't have an outstanding record, they had some outstanding players. They displayed fine baseball qualities and James Kenan is proud of the effort of many players and the coach who contributed to the 1968 Tiger team.

Team Of '68

Jimmy Rogers waits for the pitch. Woodrow Scott is the catcher.

Bob Best (SS) contributed much to the Tiger team.

Clark Helton (3rd B), John Fonvielle (1st B), and Mickey Parker (2nd B) were big assets to the team.

Gain Respect

Clark (31)

During a time-out Coach Helton gives his boys a few pointers.

Victory is a wonderful feeling!

Under the leadership of Coach Bill Helton, the '69 team really put in many hard, dedicated hours of practice. Due to the extremely tough competition throughout the conference and the lack of height, the Tigers' hard work didn't quite pay off. The boys kept the "ole fightin' Tiger spirit" and were respected by all the teams that they played. With only two seniors on the team this year, we can look for a brighter future.

The '69 Lady Tigers were surely an enthusiastic group of girls. They had the spirit and fight that all teams must have to be respected by all the teams that they oppose. With six seniors on the team, the Tigers had hoped for an improved record over last year's 10-6, but due to illinesses and tough competition they had to settle for an even score.

Basketball has given these girls a lot to remember. They loved the game and liked to play as a team. They'll never forget their wins, their losses, the bus rides, and all the fans that supported them.

Congratulations to Coach Bill Helton for a team he can be proud of!

Our seniors prove they can dance in every position at the Christmas Senior Prom.

According to Kathy Register, the proper way to type is to close the mouth firmly, cover one eye with hair, and jab at the keys.

With a bright, cheery smile, Connie Rhodes makes each day just a little brighter for each student at James Kenan. Connie's assets are unlimited. Besides being voted Most Valuable Player for basketball and President of FBLA, she maintains a high scholastic average and is a three year member of the Beta Club. "Her smile is the sweetest that ever was seen." Ryan.

Easy-going sums up Duane Millard's personality. Duane is well-liked by all of his classmates and is now Senior Class Vice President. He contributed much to the football team and earned the award of All Conference during his Senior year.

"The only way to have a friend is to be one." Emerson.

Always willing to offer a helping hand, Barbara Raynor has earned the respect of her fellow J.K.er's. During her senior year, Barbara served as N.C. State Vice President of FBLA and as Miss WAKEMA. She is also to be commended on scholastic achievements. "Indeed, a friend is never known till a man have need." Heywood.

With an exceptional sense of humor, Bennie Wilson is always found doing somethimg different. Being a star in football and tennis, President of the Library Club, and a member of the Beta Club, leaves little leisure time for Bennie. He is also a National Merit Scholarship Semi-Finalist.
"True humor springs not more from the head than from the heart." Carlyle.

Well Recognized In

True leadership marks Sharon Hall. Whenever a project must be carried out, Sharon can do it. She has served as an ardent Finance Chairman of FBLA and is Senior Class Secretary.
"The secret of success is constancy to purpose." Disraeli.

Being Co-Editor-in-Chief of the WAKEMA is only one of the gigantic tasks that Bill Britt carries on his shoulders. Being Chief Marshall and County Nominee for the Morehead Scholarship proves that Bill can only be first in his class.
"Whose armour is his honest thought, and simple truth his utmost skill." Wotton.

Whenever there is a song to be sung, Karen DeLuca is there to sing it. With such musical talent Karen is a distinct member of the Senior Class. At present she is Pres-

for Service, Dependability,

With an air of determination, Nancy Whitman appears most natural on the basketball court aiming for two points in a game. Nancy was voted an All Conference player last year. She has a kind word for all that she meets.
"A sublime hope cheers ever the faithful heart." Emerson.

With the possession of a warm smile Sandra Burnett gains the friendship of her classmates. Sandra is sincere in all that she does. This year she was named Homecoming Queen. She also lends her service to the school by selling ice cream.

Friendliness, and Integrity.

Laughter and an outgoing personality personify Frances Futrell. Frances is authentically interested in all people. This year she held a position on the Homecoming Court.
"... To hours of ease blest with that charm, the certainty to please." Rogers.

As graduation approaches, we turn our thoughts towards leaving a place we have grown to love in four years. We leave our blood, sweat, toil, and tears. We leave our laughter, joys, accomplishments, and dreams. To our underclassmen, we leave the J. K. tradition, just as it was left to us.

With us we take fond memories, unforgettable experiences, and maybe a little knowledge.

This yearbook is the product of many hours of work and worry. We, the co-editors, wish to thank those who have made the work easier and in many cases have carried the load themselves.

The staff this year has been outstanding. They have met deadlines under circumstances that were, in the least, trying. They are to be commended for giving their all.

Mrs. Bettie F. Lanier, our advisor, was as always ready with helpful advice and counsel for our difficult task.

We thank the photographers, Mr. Ronnie Hope, Mr. Jack Armstrong, and Mr. Charles Kraft, and Mr. Jim Darwin, our Taylor Representative, for their work.

Our grateful appreciation is extended to Mrs. Carolyn Outlaw for her help in securing the Kenan Home for pictures.

Mr. Harmon has been very understanding in allowing us to follow our somewhat irregular schedules. For this, we thank him.

This year we have seen many changes, and hopefully, have been a part of them. We hope this yearbook has faithfully recorded these changes and is a true reflection of our last year at James Kenan High School.

It has been a pleasure coming to school with you this year. Maybe it will even be better next year. You take care of yourself and Billy especially.

Always a friend,

Sharon,

Well, this year is coming to an end, and I hate for Billy to leave you. We've had some rad times — but I'm so glad they worked out. I told you so. You're really darling and so sweet — stay that way and remember all our little talks. I may need some advice some day. Love Ann '70

Sharon,

It has been a pleasure with you this year. I wish you all the luck in history in the future. I wish you the best in the future to a very pretty girl. Best friend always, Larry Park

Sharon,

Many times you came in Homeroom late and got a big "T". Times we really had fun while we were cheering. You're really a good cheerleader, keep up your winning smile, attitude toward life and everything will come up roses.

Sharon,
It has been a real pleasure knowing you. Hope you and Billy have a lot of fun in the future. a friend always

I have enjoyed knowing you and having you in English this year. It really tore me up when Mrs. Scott made me move across the room. I'm glad we had those little talks and that you and Billy got straightened out.
Best wishes to a sweet, pretty girl.
Love always,
Johnny Johnson

Sharon,
It has been great having a friend like you at JK this year. Best wishes to a great girl and friend always.

Sharon, I'll see ya later. Good luck to you and your house next year, I'm sure. Have a good summer. Study hard and don't get too much homework. Take it easy and don't work too hard. Have some fun and enjoy yourself. Be good, be cool and don't be a fool. Keep your head up and your chin out. Keep smiling and you'll get by. Love ya, Sharon
